

The Communication Rehearsal Loop

Free classroom resource

1. Before the task

Choose one or two areas to focus on:

- Clarity
- Organisation
- Pace
- Confidence / Presence
- Pronunciation / delivery
- Listener engagement

2. After the first attempt

What worked well?

Where could communication have been clearer?

What should improve next time?

3. Focused communication feedback from peer/teacher

One strength in the language used (words & phrases / pronunciation):

One thing to improve in delivery (clarity / pace / emphasis / listener engagement):

How did it come across to the listener (clear / hesitant / engaging / confusing / convincing)?

4. Rehearse again

What improved the second time?

What helped improvement most?
